Dear Saint Joseph Bears Fan:

Welcome to the 2018 Season of Bears Football! This year the team returns to the field after a very successful 2017 season. The 2018 team looks to repeat the results of last year.

The Saint Joseph Football Boosters is a 501c3 tax exempt, non-profit volunteer organization dedicated to enhancing the experience of student athletes in the Saint Joseph Football Program. Booster activities include providing team meals during football camp and on game days, purchasing equipment, promoting spirit through the sale of Bear merchandise, hosting the annual Kick-Off Celebration, and staffing the concession stand. We need your support, and are writing to ask you to join the 2018 Touchdown Club. All funds collected support the entire Saint Joseph Public Schools Football Program, from Seventh Grade through the Varsity Level. All donations are tax deductible to the extent allowed by law.

Coach Church and his staff along with over 100 players are working hard to prepare for the 2018 season. Please show your support by donating to the Saint Joseph Bears Touchdown Club. Attached is a registration form for your convenience. Touchdown Club members will be listed in the Fall Sports Program as well as on our website: <http://www.stjoefootball.com/> with Ring the Bell Members receiving special recognition.

Please return your completed form and payment no later than August 15th to meet printing deadlines.

Thank you for your continued support of Saint Joseph Bears Football. Get ready for a thrilling 2018 season!

GO BEARS!
